All experiences for a nursing student in a clinical setting involving the delivery of nursing care to an individual or group of individuals must be performed under the direction of a faculty member who functions only as a faculty member during the nursing student's clinical experience. The faculty member providing direction of clinical experiences will:

5. Establish clinical objectives or outcomes within the framework of the course in which the student is enrolled.
6. Communicate clinical objectives or outcomes.
7. Supervise student learners practice in the clinical and laboratory settings.
8. Evaluates learner's performance and progress in the clinical settings.
9. Direct and supervise the activities of a teaching assistant or preceptor if utilized.
10. Maintain faculty to teaching assistant ratios for direct patient care experiences.
11. Ensure teaching assistant and / or preceptor competence in the area of clinical practice.
12. Reinforce learning.
13. Keeps records of learner progress.
14. Counsel individual learners.
15. Serve as liaison between school and clinical agency.
16. Serve as role model.
17. Develop teamwork.
18. Foster professional relationship with learners.
19. Participate in the development of the educational program.
20. Participate in program improvement.
21. Maintain professional and technical knowledge and engages in professional development.
22. Maintain organized, safe and clean work environment that is conducive to learning.
